Product approval

Re: CHEMITÁT Hipoallergén Folyékony Mosószer 1L (P-30)

Product no: UK111070

Asthma-Allergy Denmark has reviewed the above-mentioned product formula and has no remarks related to this. The artwork is equally approved and the product can now be marketed with the Asthma-Allergy Denmark logo.

Additionally, note that the agreement only pertains to this specific product, the submitted product formula and artwork. All modifications hereof, including concentration adjustments or ingredient additions as well as artwork changes should be submitted to and reviewed by Asthma-Allergy Denmark prior to product marketing.

CAS No.	INCI	Contents in %
7732-18-5	Aqua	Confidentially
68891-38-3	Sodium Laureth Sulfate	Confidentially
68002-97-1	Laureth-7	Confidentially
6132-04-3	Sodium Citrate	Confidentially
56-81-5	Glycerin	Confidentially
61789-31-9	Sodium Cocoate	Confidentially
110615-47-9	Capryl Glucoside	Confidentially
68439-50-9	Laureth-9	Confidentially
57-13-6	Urea	Confidentially
122-99-6	Phenoxyethanol	Confidentially
57-55-6	Propylene Glycol	Confidentially
68439-50-9	Laureth-3	Confidentially
9014-01-1	Subtilisin	Confidentially
9000-90-2	Amylase	
9012-54-8	Cellulase	
9001-62-1	Lipase	
9015-75-2	Pectate Lyase	
37288-54-3	Mannase	
29297-55-0	Polyvinylpyridine N-oxide	Confidentially
5949-29-1	Citric Acid	Confidentially

The approval is only valid for the raw materials send in and accepted during this assessment. Change of raw material should be informed to Asthma-Allergy Denmark and requires a new assessment.

Med venlig hilsen

Asthma-Allergi Danmark
